KOKA LAGOON CRUISE AND LUNCH (4HRS)

Imagine setting out upon the beautiful turquoise waters of Muri Lagoon—without a doubt the perfect way to enjoy seeing Rarotonga from the water and experiencing the treats of the magical Lagoon. Locally made, this modern, spacious and comfortable 35 foot Glass Bottom Vessel is made with steel framing and natural roofing, sturdy yet subtly fitting into the local surroundings. With a 35 seating capacity, generous leg room, safe hand railing, life jackets and a ramp for easy access it is wheelchair compatible and elder friendly as well as for children. With such a spacious vessel Koka Lagoon Cruise is able to cater for larger groups whether being a mixture of individuals or hired out for a special party or occasion. **Raui Conservation System** - Large areas of the lagoon of Rarotonga have been placed under a traditional *Raui* Conservation System where a complete ban on fishing is enforced by the traditional leaders of the community. This has resulted in the fantastic growth of sea life in these areas. As you cruise across Muri Lagoon towards the Titikaveka coastline, you will see the result of this effort.

Snorkelling - A particular area has been designated for snorkelling during the cruise in Titikaveka

lagoon. Although it is accessible from the beach, the easiest way to access the area is by boat. The water is approximately 15 feet deep with rows of tall coral heads surrounding the snorkelling spot. Here you can swim amongst schools of tropical jewel coloured fish and view the giant clams and the stone fish enclosures.
