

## Waterguns

We encourage participants to bring their own water guns to the race! Otherwise, you must purchase a watergun for \$10 on the day of the run.

Waterguns are in limited supply—available on first come, first served basis. GEOMEER also only permits water guns that use manually pressurized air to shoot water on the race route.

## Post-Race Party

### Let's cool off together!

After dashing across the finish line, participants can look forward to an epic post-race party.

- Music
- Delicious food
- Bouncy castles
- Dance performances
- Field activities, and more!

## About GEOMEER

GEOMEER Charitable Society mentors young volunteers and empowers them to connect with their community.

We gladly accept donations on the day of the race. The proceeds will go towards GEOMEER, which runs charitable campaigns including Helping Hampers & Suit Up! These projects provide significant assistance to families in the local community.
